SICIS Green

A sostegno dell'impegno di SICIS verso l'ambiente, i prodotti SICIS vengono sottoposti a prove che confermano le caratteristiche ecologiche e il loro relativo contributo alle certificazioni quali LEED, Green Communities e Green Globes.

La sapiente applicazione del mosaico sostiene il design concept di BIOPHILIA.

In support of SICIS's commitment to environmental performance, SICIS products have undergone testing to confirm green attributes and their associated contribution to certifications including LEED, Green Communities and Green Globes.

The artful application of mosaic finishes can support the design concept of BIOPHILIA.

Blue Tones

A sostegno dell'impegno di SICIS verso l'ambiente, i prodotti SICIS vengono sottoposti a prove che confermano le caratteristiche ecologiche e il loro relativo contributo alle certificazioni quali LEED, Green Communities e Green Globes.

La sapiente applicazione del mosaico sostiene il design concept di BIOPHILIA.

In support of SICIS's commitment to environmental performance, SICIS products have undergone testing to confirm green attributes and their associated contribution to certifications including LEED, Green Communities and Green Globes.

The artful application of mosaic finishes can support the design concept of BIOPHILIA.
